Rank the following from 1 (= terrible) to 10 (=perfect). Ratings for each question within the category are OK. Photos are good. Video on Youtube.com is a good way to show things.

Item to rate	Rating	Comments
Blazing: Is it easy to follow? Are trail intersections clearly marked? Would it be easy to see in other seasons? Are branches in the way?		
Footpath: Are there any obstacles? Any stumps that need removal? Is it easy to find? Does it need mowing?		
Overhead and sides: Does it need trimming / lopping? The standard is 4 feet wide above the footpath, and about 7 feet tall.		
Signage and kiosks: Does everything appear to be in good order? Are all signs readable? Do signs clearly indicate where next section of trail is?		
Painting / Staining: Do kiosks, picnic tables, benches need staining or painting?		
Puncheons / bridges: Are there any repairs needed? Are the foot walk sections clean so they are not slippery when wet?		
Other: Is there any other maintenance needed?
