From US 31 take Freesoil Road east through Freesoil. Continue another 9.5 miles to the North Country Trailhead on the south side of Freesoil Rd. (just after you enter Lake County where this road is called 8-Mile Rd.) For a shorter hike, turn north on Tyndall Road, 9 miles east of Freesoil. At 2 miles the road starts up a small hill and curves to the right. Watch closely for the trail crossing, and there is room to park a car on the west side of the road.

Question 3. To whom is the boardwalk dedicated?

The NCT extends from New York to North Dakota! Minimum distance required to get the answer to the question about 3 miles using Tyndall Rd.access. There is a \$3/day or \$20/year fee to park at Trailheads in the Manistee National Forest. There is a self-pay station at the Freesoil Trailhead. Free paper maps of the NCT throughout the entire Manistee National Forest are available at Manistee or Baldwin Ranger stations.
